Sir,

(V)

I am directed to invite reference to Government Order No.G.21945-22005 -- P. & S. 7-20-3 dated the 20th May 1921, under which the supply of green baize has now been restricted only to the tables of gazetted officers and other heads of offices. I am to observe that in most of the civil and criminal Courts in the State separate tables, either square or of horse-shoe pattern, have been provided by Government for the use of the members of the Bar attending Courts. Apparently under the said Government Order it is not possible to supply green baize for these tables. I am to state that in consequence of representations made to the Chief Judge during inspections of some of the Courts, the Chief Court considers that lawyers' tables in civil and criminal courts should also be provided with green baize or other suitable covering and that the members of the Bar, who are essential for the administration of Justice and are of considerable help to the Court in deciding civil and criminal cases, are entitled to this concession at the hands of Government.

I am therefore to recommend that Government may be pleased to include the tables used by lawyers in civil and criminal Courts for the periodical supply of green baize by the Superintendent, Government Stationery.

I have the honour to be,

S i r,

Your most obedient servant,
